Hi

Please could you send what you've got now; we need to know where we are.

We aim to complete the testing tomorrow, so you must have your bit completed to a stage where we can test it.
If not, then, we'll have to hand it in without. We hope we don't have to do this, because we'd rather not have to peer assess you.

Thanks,

Dave, James & Amanda

Hi

I'm about to let you guys down once again :(

I'm not feeling very well today, and have not come in to uni.

I will send you the stuff via email when I go on my laptop later, among with notes on how to use it and how it works.

I would hope this doesn't cause too much of a problem, biut I know it will.

Scott
